

MISSION STATEMENT

The mission of RUNNING4KIDS is to provide charitable contributions to both children and their families who are in need. Although children with serious medical conditions are the primary focus, providing a bright future for all the children will always be the ultimate goal.

Background

Bob has been running for 35 years. He was a race director for a couple of community races in the early 70's and 80's. One was for the community recreational council and the other for Mothers Against Drunk Driving. In 2003, Bob turned 55 and attempted 10 marathons to raise money for 3 children's charities and a local family charity. In 2010, Bob turned 62 and ran 6 (2 ten milers, 2 half marathons, and 2 marathons) plus 2 (2 ultra marathons) for 3 children's charities.

Our Story

Bob will turn 65 this year. He is running 11 (6+5) races to raise money primarily for the National Children's Cancer Society. The NCCS helps children who have developed cancer and their families. The 6 races will include runs over 10k and the plus 5 will be at least ten miles in length including a marathon and an ultramarathon. Please support the kids by donating to Running4Kids @ www.running4kids247365.com
