Dear Friend of the Community Foundation of Carroll County,

On behalf of the Community Foundation of Carroll County, I would like to invite you to participate in **A Celebration of Audrey Cimino: Impact. Legacy. Change.** This event, held on Sunday, October 17, 2021, at Martin's, Westminster. You'll be joining Carroll County business and community leaders whose philanthropic efforts make our community a better place every day.

This event is our way of thanking Audrey for bringing the community foundation concept to Carroll County, and for her relentless passion this community and its people. Audrey retired in March of 2020 as the executive director of the Community Foundation of Carroll County (1994-2020). We were not able to honor her at that time, and are excited to be doing it now.

I have included several [sponsorship options](#) for your consideration. All proceeds from this event support the Operating Fund of the Community Foundation, which allows us to ensure the sustainability of our community foundation. I greatly appreciate your consideration of a Celebration of Audrey sponsorship and would welcome the opportunity to collaborate with you to share in the celebration of her amazing legacy.

We will also be making an important announcement about the future of the Community Foundation of Carroll County and hope you can join us as we look to the future together.

Like with our Philanthropists of the Year events of the past, there is no other event where business and civic leaders gather to pay tribute to those who make a difference in our community with their generosity and commitment. Audrey Cimino has been heralded by the local media, nonprofit and business leaders throughout Carroll County. I hope you will consider supporting this well-deserved celebration.

Best regards,

Jaclyn Mathias
Executive Director
